

Download 2002 Acura TL Timing Belt Manual

Acura TL

The Acura TL is a compact executive / entry-level luxury car that was manufactured by Acura. It was introduced in 1995 to replace the Acura Legend and was badged for the Japanese-market from 1996 to 2000 as the Honda Inspire and from 1996 to 2004 as the Honda Saber. The TL was Acura's best-selling model until it was outsold by the MDX in 2007. While it once ranked as the second best-selling ...

Acura CL Questions

on my acura cl 3.0 that i did the timing belt and pump it runs when u start it i dont think the timing is off because the code is telling me that the crankshaft sensor is not working can that be the problem i can drive the car around the parking lot it just stalls when in park the motors rpms are way to low so do u think its the timing belt or the crank sensor i would love to know thanks 1 Answer
