## Asian Americans

Asian Americans are Americans of Asian ancestry. The term refers to a panethnic group that includes diverse populations, which have ancestral origins in East Asia, South Asia, or Southeast Asia, as defined by the U.S. Census Bureau. This includes people who indicate their race(s) on the census as "Asian" or reported entries such as "Chinese, Filipino, Indian, Korean, Japanese, Vietnamese, and ...

## Health and Wellness : Asian

Health and wellness issues among Asian Americans do not seem to get as much attention as other issues. However, in many ways, these issues can be the most important in everyday life.

## Leadership theory and research in the new millennium ...

We began by searching the 10 journals identified in Table 1 known for publishing leadership research that also have high impact factors and regularly appear at the top of journal ranking lists in the field of organizational behavior. We performed a manual search for leadership, restricting our search to articles published between 2000 and September 2012.

## **Our Faculty**

Alice W. Cheng received her PhD in clinical psychology from the University of Rhode Island. She completed her American Psychological Association (APA) accredited internship at the Asian Pacific Family Center of Pacific Clinics in Los Angeles where she was immersed in learning culturally adapted interventions for Asian Americans.
