Assassination Science

NEW! NEW! THE GREAT ZAPRUDER FILM HOAX Edited by James H. Fetzer, Ph.D. Perhaps no greater debate has raged in the history of the study of the death of JFK than over the authenticity of a 27-second home movie of the assassination, known as "the Zapruder film".

JFK assassination film hoax

JFK assassination film hoax. The wound mistake. The Zapruder film seems to show the front of JFK's head being blasted open by a shot: Researchers like Stewart Galanor, who were lucky enough to see the film in the 1960s (at a private screening in the U.S. National Archives), believed that this proved that JFK was killed by a shot coming from in front of him and to his right (from the ...
