Metformin treats type 2 diabetes by lowering blood sugar levels. It is generally a safe and effective medication. However, metformin can cause side effects, and a person may be able to manage ...

The Third Army in World War II

Introduction . The United States Third Army enjoyed an impressive history of glory and victory during its lifetime. The Third Army was at its best and most famous when it was commanded by the great combat general, George Smith Patton, Jr.

Why We Millennials Are Always So Mad

Why are kids your age always so mad? You'll never know what my generation had to endure! You kids have it too easy these days! Any person who is around my age can relate to hearing these words thrown at them.

Black Hat USA 2016 | Briefings

The Hidden Architecture of our Time: Why This Internet Worked How We Could Lose It and the Role Hackers Play. What we call the Internet, was not our first attempt at making a global data network that spanned the globe.

Why America Can't Quit the Drug War – Rolling Stone

Why America Can't Quit the Drug War After 45 years, more than \$1 trillion wasted, and the creation of the world's largest prison system, America still lacks the political will to change its ...

betta diseases

Many of you have emailed me over the years with many questions about sick bettas. So I decided I would put together the most comprehensive listing of betta diseases and ailments, how to diagnose a sick betta, treat it, and hopefully save it.

Dog to Dog Aggression – Why and How to Stop It

We can do this by moving across the road or into a driveway, and waiting for the other dog to pass. We may also move our dog behind a barrier, for example a car.

The Worm That Kills

I'd also like to add on that if there are already already dead strongyles in the horses stomach or intestines, and you worm with only ONE strong dose that kills fast instead of worming for several days small doses which kills slowly, chances are that the intestines become so obstructed that they rupture and kill the horse.
